

CAPITAL  
LEGACY

**IMPORTANT GUIDELINES TO THE SIGNING &  
SAFEKEEPING OF YOUR LAST WILL & TESTAMENT**

# THINGS TO REMEMBER WHEN SIGNING YOUR WILL

- Please ensure that your “final” draft Will is error-free and complete in terms of your needs.
- If amendments are needed, please contact us on [wills@capitallegacy.co.za](mailto:wills@capitallegacy.co.za) to arrange for these changes to be made on a new draft Will.
- You may manually make amendments on the Will, however there is then a risk such amendments are unclear and not enforceable.

Only print your Last Will and Testament as **single-sided** when it is ready and you wish to sign it.

Place your signed and **original** Will in a safe place. At least one friend or family member should know its whereabouts and how to access it.

When signing your Will, please sign on **each** page in the space provided where either Testator or Testatrix is indicated.

Ensure that we too have a copy of your signed, correct Will. Please scan and send a **copy** of the signed Will to [wills@capitallegacy.co.za](mailto:wills@capitallegacy.co.za). Please make sure that you provide us with as many contact details for you as possible.

Always sign in the presence of **two independent** witnesses. They too must each sign in the relevant space provided for on **each** page and state their names where applicable.

For extra peace of mind, we can keep a **second, signed and original** Will for you in our safe custody at no extra cost.

Note: A witness must be older than 14 years of age at the time of signing and must be “competent” to give evidence in a court of law. If the witness is the Executor, Spouse or Beneficiary to the Will, they will be disqualified in such a capacity in terms of the Will.
